Praise the Lord saints. It's good to be back home after a very successful tent crusade, and it was indeed a tremendous blessing. Now remember, we're still under a 90-day prophetic window of release. Whatever you speak into the atmosphere will shape. I asked you a few weeks ago to start reading the bible—the Gospels in particular: Matthew, Mark, Luke, and John. I instructed you that upon completion, to read it again, and then again. My purpose in asking you to do this is to form Christ in you that you may be able to present a clear message of who Jesus is in your witnessing ministry.

## IS IT OR IS IT NOT BIBLE?

We've previously discussed church membership, tithing, and altar calls. Tonight we will discuss the following topics:

- ? Head coverings for women (prayer doilies, caps, etc...)
- ? Apparel
- ? Tarrying for the Holy Ghost
- ? Tongues (the belief that without tongues you don't have the Holy Ghost)
- ? Suicide (that it is an unforgivable sin that automatically sends people to hell)
- ? Whether or not women should preach...

...and many other questions you might have as we take the mic to the floor.

Now don't be shy. Come on and speak up. For *in searching the scriptures, in them you think you have eternal life!*
